

PLEASE READ VERBATIM. Thanks!

Our presenter today/this evening is Billy Riggs. Billy has been speaking publicly for more than forty years and privately since the age of 2. He has sold more than three hundred thousand books and recordings. He is the author of seven books, the latest of which is entitled *How to Become a Born Leader*. He holds two Masters Degrees and resides in Austin, Texas. He is one of only 600 speakers in the world to be recognized as a Certified Speaking Professional.

Billy was a multi-millionaire by age 18, but only in Zimbabwe Dollars. His name regularly appears on the cover of Time magazine, but only on the address label. He has three children. Two of them are adopted, and he's still seeking a good home for the third.

Billy is also a world-class illusionist who has been featured on 10 cruise ships, and has performed before audiences as large as 20,000 people. He has appeared (and *dis*-appeared!) at the MGM Grand in Las Vegas, Caesar's in Lake Tahoe, and the Tropicana in Atlantic City. He starred in his own 90 minute television special. But the accomplishment he is proudest of is that he is an Eagle Scout and was the Cubmaster and Scoutmaster of his son's Cub Scout and Boy Scout Troops in Austin. But he doesn't like being called an illusionist, because he's far more interested in reality than illusions. That's why they call him - *not* an illusionist - but a *dis*-illusionist. Please welcome Billy Riggs.
