BILLY RIGGS, COMEDY MAGICIAN

All Five-Star reviews for years on end!

Comedy magician Billy Riggs has been receiving standing ovations for more than 40 years. He relates brilliantly to kids, teens and adults all at the same time. When he's not dazzling audiences on a cruise ship or at a corporate convention, he loves doing local programs in central Texas for a tiny fraction of his corporate fee. You'll get a guaranteed smash hit from a consummate professional. You've never been so baffled - or laughed so much - as you will with this beautifully-seasoned illusionist. A true showman, his quick hands and quicker wit will make your event something special!

It's easy to find a \$200 magician for \$200. Until the Covid lull is over, enjoy this \$7500 magician for \$300!

I've never seen a magician get the overwhelming response you get on our cruises! Gales of laughter accompany your every performance, and the audience comments afterwards are simply outstanding.

The residents LOVED your show! I have gotten so much terrific feedback! They definitely want you to come back! Bobbie told me she could not sleep last night thinking about your magic and wondering how you did it. She was the one who opened the envelope with her name already written. You blew her mind! Mine too!

Billy Riggs is the REAL DEAL! Even though our employee Christmas party was a comparatively small venue (90 people), Billy entertained us as though he were playing Caesar's Palace. You won't be disappointed!
