This may be the first testimonial letter I've written in 15 years of picking presenters for our national meetings (we do three a year). You absolutely nailed it for us! The audience (after a late night & long day) was with you every step of the way, and two curtain calls from 1000 people sums it all up. **Joseph H. Bourdow, CEO, Valpak Direct Marketing Systems, Largo, Florida**

An audience member gets cut in 3 pieces. Another is levitated. You get to choose the volunteers!

Watch him solve 2 Rubik's Cubes in 10 seconds... blindfolded!

Witness amazing mind-reading demonstrations.
