

Positively Magical Teaching! (90 minutes to 6 hours)

Remarkably effective educators hold a set of core beliefs in common - beliefs about students, about teaching, and about themselves. Internalizing these beliefs, then, is essential to preparing good teachers for the classroom. By formulating, nurturing, and communicating the proper belief system, you can quickly inspire and drive your classroom, school or district to exemplary status.

Demolishing the illusions that prevent effective teaching!

In this hilarious, but provocative combination of magic, message and motivation, Billy Riggs demolishes the debilitating myths that render teachers ineffective, & identifies the cardinal realities of education.

A magical, moving and fun in-service that will inspire, equip and energize your teachers.
