

The Magic of Education!

(90 minutes to 3 hours)

The staff and faculty of exemplary schools hold a set of core beliefs in common - beliefs about students, learning, work and themselves. Internalizing these beliefs, then, is essential to effective education. By formulating, nurturing and communicating the proper belief system, you can quickly drive your classroom, school or district to exemplary status.

Demolishing the illusions that prevent effective education!

In this hilarious, but provocative combination of magic, message and motivation, Billy Riggs demolishes the debilitating myths that render schools ineffective, & identifies the cardinal realities of education.
