

The Magic Formula for Mastering Change

(60-90 minutes)

The lone constant in business today is *change*. Improving technologies, increasingly-savvy and equipped customers, and evolving competitors force companies and their employees into an uncomfortable choice: constant reinvention or guaranteed obsolescence. Discover the hidden misconceptions that make change

A magical, moving and fun program that magically transforms change into a welcome friend.

Empowering people to embrace change by shattering their illusions.

Overcoming the adversity caused by change can be a real trick!

Attendees will learn that:

- ◆ Misconceptions (illusions) cause them to feel victimized by change, instead of empowered by it.
- ◆ Change represents life's best opportunity for personal growth.
- ◆ Facing change with a positive attitude and optimistic outlook is half the battle.
- ◆ Most limitations to personal growth are self-imposed glass ceilings that must be shattered.
- ◆ Change is a necessary component of job security.
- ◆ That which is impossible for 10 individuals might be relatively easy for a *team* of 10.

seem so difficult, and learn to embrace it as a welcome friend. In a fun combination of magic, comedy, training and inspiration, "DIS-illusionist" Billy Riggs explodes the psychological illusions that hinder change and reveals the core beliefs that transform it into a positively magical adventure.

Who Should Attend?

Anyone facing uncomfortable change
